presents:
Steven Lapidus, Ph.D.
The Life and Death of a Ukrainian Shtetl

The meeting will be held on
Monday, April 09, 2018, at 7:30 pm

While little documentation exists for many of the small shtetlach of eastern Europe, there were two personal memoirs written about life in my grandfather's shtetl in the prewar and inter-bellum periods. The authors were first cousins and one of them was my grandfather. Both had fled Ukraine in the mid-1920s and settled in Montreal. This talk will illuminate these memoirs and their lives before the destruction of its Jewish community.
